

May 20, 1975

CLERK: Mr. President, I wish to be excused until 3:00 p. m. signed Senator R. Lewis. I wish to be excused at 11:35, Senator Kime. Mr. President, your Committee on Enrollment and Review reports that we have examined and reviewed LB 213, and recommend that it be placed on Select File as amended. Mr. President, there will be inserted in the Journal copies of correspondence from myself, forwarding copies of LB 417 and 417A to the Secretary of State together with the certificate of the Lt. Governor certifying its passage by the Legislature. Mr. President, there will be inserted in the Journal an Attorney General's opinion addressed to Senator DeCamp, number 89, relative to LB 571. That's all, Mr. President, for this moment. I have lots of stuff whenever you want to go back to it.

PRESIDENT: Senator Koch, do you have anything further to say on your matter.

SENATOR KOCH: Mr. President, I believe that all members are present and they heard my request and I think that all members will participate and I include that to include other employees in the State Capitol and others that give as a gift from the State House to be used for this fund. I will be the first to start off with a personal check of \$100.00.

CLERK: Mr. President, Legislative Resolution number 100 has been correctly enrolled. LB 571, Mr. President.

PRESIDENT: We also have a group of students in the north balcony from Senator Rasmussen's district. We have students from Centura School in Cairo, Nebraska. Thank you for coming, we appreciate students visitors to the Legislature.

CLERK: Mr. President, on LB 571 there is a motion to return to Select File for specific amendment which is signed by Senator Richard Lewis. This specific amendment is as follows: On page 4 after line 15 insert the following: "(6) Any residencies which may be funded, in addition to those provided in this section, shall be family practice residencies. Beginning July 1, 1976, any expansion of residencies, other than family practice residencies, shall be initiated only when the demand for such specialities is shown by patient numbers and need in the State of Nebraska." Signed Senator Richard Lewis.

PRESIDENT: Senator Richard Lewis.

SENATOR LEWIS: Mr. President, members of the Legislature, this is an amendment that's been placed on the desk of everyone, I believe, we have talked this over, it has the acceptance of Dr. Sparks. I have talked it over with Senator Mahoney and Senator Goodrich who agree that it's probably, and Senator Cavanaugh, I think it probably spells out exactly what we want to do in this particular legislation. I would adoption...First, I guess we have to bring this bill back. Don't we? Mr. Clerk, are we moving to bring this bill back?
